

White Roll Towels

White roll towels from RedDot Brands bring the clean look of white and quality embossing for reliable performance. They also tell a strong sustainability story with their Green Seal certification*. This towel is perfect for universities, office buildings, foodservice, and acute care settings where a hygienic look is needed at an affordable price point.

- Fewer change outs and customer outages with our high-capacity 1000' roll towels.
- Green Seal certified with opportunity to earn LEED credits. These towels are made from 100% recycled fibers and 50% post-consumer fibers.
- Can be used in both our automated hands-free and manual roll towel dispensers.
- When used with RedDot's touchless towel dispensers, waste can be reduced by up to 30% versus traditional folded hand towels.
- Reduces the risk of cross-contamination and spread of pathogens to create a more hygienic environment.

*This product meets Green Seal™ Standard GS-1 based on chlorine-free processing, energy and water efficiency, and content of 100% recovered material with a minimum of 50% post-consumer material. GreenSeal.org
